## RATHER PECULIAR

Is the Situation that has Developed in Ritchie District.

## REMOVAL OF SQUIRE SCHULTZ

INTO WEBSTER DISTRICT CAUSES A POSSIBLE VACANCY IN RITCHIE, AND BOTH PARTIES HAVE PUT UP CANDIDATES—AFTER THE ELECTION THE COUNTY COMMISSIONERS WILL DECIDE WHETHER OR NOT THERE IS A VACANCY.

Politically there is a rather peculiar situation in Ritchie and Webster districts, affecting the justices of the peace to be elected at the ensuing election. By the change of district lines, Justice J. W. Schultze is thrown into Webster district. At the Democratic suggestion meeting in Ritchie district, two men were suggested for the vacancy which the Democrats assumed would arise, and at the primary election, one, Henry Mason, was nominated. At the Republican suggestion meeting in Ritchie, there was a difference of opinion regarding the matter, and it was decided not to make suggestions for justice of the peace. However, before the Republican primary election, the Democratic suggestions had been made, and the Republicans came to the conclusion that they ought to be on the safe side by having a candidate even if there was a possibility of the nomination not being altogether regular. This was done by a number of the party men adding the name of Joseph A. Arkie to the primary ticket, who went through without opposition. The Republican county committee took up the matter and decided that Squire Arkie's name should go on the ticket. Mason and Arkie will be the contestants, and after the election, the board of county commissioners will have to decide whether or not there is a vacancy in Ritchie district. If there is, the candidate elected at the ensuing election will legally hold office. If not, he will have his campaign for nothing.

Pleasant Valley is a village among a million in at least one respect. There are thirty-six voters in the town. Of these, thirty-five are Republicans, and one, J. R. Acker, is a Democrat. Remarkable to relate, the thirty-five Republicans have twice elected the lone Democrat mayor of the village.

Judge John A. Campbell, as announced yesterday, is to take the stump for Captain Dovenor. The congressional committee has fixed his dates, as follows: Hundred, Wetzel county, Monday night, October 24; Bridgeport, Harrison county, Tuesday evening, October 25; Salem, Harrison county, Wednesday evening, October 26; Camden, Lewis county, Thursday afternoon, October 27; Jane Lew, Lewis county, Thursday night, October 27; West Milford, Harrison county, Friday night, October 28.

City Solicitor Frank W. Nesbitt, of Wheeling, is with Congressman Dovenor this week, making political speeches in the interior of the district.

Judge T. P. Jacobs, of New Martinsville, will be one of the speakers at the Elkins meeting in Sistersville next Monday night.

Congressman Dayton, of the Second district, is to speak in Wheeling on the evening of either the 3d or 4th of November. Mr. Dayton prefers the 3d, but the congressional committee finds it impossible to secure the Opera House that evening, and Chairman Smith has written to Mr. Dayton, asking if it will be convenient for him to speak here on the night of the 4th.

Governor Atkinson is to address a meeting at New Martinsville on Friday evening, October 23.

Hon. M. H. Willis, of West Union, will make speeches in Marshall and Ohio counties next week. The congressional committee will announce the dates in a day or two.

The congressional committee has not yet heard from Senator Foraker, relative to the invitation extended him to address the Republicans of Wheeling and the Pan Handle during this campaign.

Mr. Jesse Sturm, of near Mannington, Republican candidate for the state senate in the Second senatorial district, composed of Marion, Marshall and Wetzel counties, was in the city yesterday and called upon prominent Republicans. He was accompanied by Mr. W. S. McAfee, of Dallas, secretary of the Marshall county Republican committee, and by Mr. Parkinson, of Moundsville.

In Clerk Robertson's Office. County Clerk Robertson yesterday issued the following marriage licenses: William P. Wilson, aged twenty-six, and Ellen T. Wright, aged twenty-four, of Wheeling.

Frank A. Mansfield, aged thirty-one, and Bertha C. Fuchs, aged twenty-six, of Wheeling.

Battell G. Dunlap, aged twenty-seven, (widower), and Annie N. Basil, aged twenty-eight, of Wheeling.

Two deeds of trust and a deed of correction were recorded.

THE opening of John W. Kindelberger's Saloon, 1100 McCulloch street, East End, occurs to-morrow evening. Concert and lunch. Everybody invited.

## ABOUT PEOPLE

Strangers in the City and Wheeling People Abroad.

Mrs. Kain, principal of the Ritchie school annex, is ill.

R. G. Caldwell, of Parkersburg, was at the Windsor yesterday.

J. R. Mitchell, of St. Clairsville, was a McClure register yesterday.

Misses Kate and Ellen Hunter, of Fourteenth street, are visiting Mr. Earl Oglesby, in Cleveland.

C. W. Smith, of Sistersville, and C. D. Martin, of West Union, were registered at the Stamm yesterday.

Squire C. S. Greer is recovering from a severe illness, which attacked him suddenly Sunday evening.

The condition of Dr. John A. Pipes, who is still at Mountain Lake Park, is encouraging, but his improvement is not as gradual as was hoped for.

William L. Ong, of Wellsville, John Matthews, of Middlebourne; L. Merrill, of New Martinsville; R. L. Varne, of Ravenswood, and F. R. Hassler, of Ripley, were West Virginia arrivals at the Howell yesterday.

Frank McLaughlin, of the Eighth ward, whose leg was broken by his jump over the bank at the Market street bridge, at the time his brother was killed, is able to sit up, and he is expected to be able to leave the house shortly.

Rev. Samuel Schwarm and Mr. J. M. Bruhn, who represented the First English Lutheran church, of this city, have returned from Clarion, Pa., where the West Penn synod of the church has been in session several days.

Samuel Gibbons, pipeman at the Eighth ward engine house, who has been laid up for four weeks on account of a sore arm, had his limb subjected to an X-rays examination yesterday. His arm suffered from rheumatism, and inflammation later caused it to swell to enormous size. The X-rays failed to denote an abscess, as was feared.

## A SUPPOSED FRIEND

Gave Him a Case of Rheumatism.

"I had been in the habit for many years of drinking strong coffee twice a day, without sugar or milk, hoping by that means to moderate the effects upon my nervous system.

"I never suspected the coffee habit had anything to do with my rheumatism, which was so bad that I was unable to get about without crutches, at times.

T. V. NICHOLS, Mass.

"About a year and a half ago, I stopped drinking coffee and took Postum Food Coffee, and after a few failures, because of improper cooking, finally had it made strictly according to directions, (which is easy), and found it of such charming flavor that I have kept up its use ever since.

"Strange as it may appear, the rheumatism disappeared entirely, and I have not had a single attack since. Moreover my family have all taken on some good substantial flesh, so that we feel Postum is not only a delicious drink in the taste, but that we are living evidence of its healthful properties.

"The preparation of any sort of food or drink is an important, essential part. I find that many people who have tried Postum, go at the preparation in a careless way, that is to say, they put it on the stove and let it stand a few minutes, and think it should be done. We put Postum on in cold water. It takes about fifteen minutes before it begins to boil, then we allow it to actually boil fifteen minutes, which, as you say, brings out the delicious flavor and good food value.

"Mr. and Mrs. Miller, of this city, are using Postum right alone. Mrs. Miller has been a great sufferer from dyspepsia, and had to give up coffee entirely on that account. She enjoys good health now, since using Postum Food Coffee.

"Mr. and Mrs. Hervey, of Auburn, were troubled in the same way, and have been cured by Postum. Say they never were so well.
